Cider Draught

Ascension - Sonic Titan

Heavy Cider // 8.2

Blending our strong wild fermented cider with a hint of sweet apple juice gave us the cider that was to be known as Sonic Titan. Named not only for its gravity and strength, but also after a track by the gods of heavy sleep.

Ascension - Mess With The Honk

Gooseberry Cider Blend // 3.4

Over a third of a ton of Gooseberries gave up their classic tart and tangy juice, before being blended with soft and sweet Golden Delicious apple juice, and vinous and rich Bramley and Russet cider, an absolute delight for the summer.

Super Juicy Session Cider // 4.8

This cider focuses on the apples and, with a hefty addition of freshly pressed juice to a wild fermented base, it does just that. Big juicy flavours, plus tart notes from the wild cider combine to create a fresh, crushable cider.

Silly Moo - Cyder Cider

Cider // 4.2

Formerly called Unfiltered Cider. Light sparkle, hint of tannin, pleasing sweetness, fresh clean flavour, well-balanced blend with initial apple notes followed by more complex soft back note of tannin which give good structure. Very juicy and full mouth feel.
